Assistant Coordinator – Y CONNECT

7.6 Hours Per Week – Hours to be negotiated

Y Connect is a new initiative, to establish a framework of engagement and personal development for women, particularly young women, with disabilities. We are looking for an Assistant Coordinator for this project to work to closely with the Coordinator to develop, implement and evaluate this new and innovative program. Program content will draw on existing leadership and employment programs developed by the YWCA, and enriched by experience of living with or supporting people with disabilities in their pursuit of employment and career development. Providing leadership and support to project participants, the Assistant Coordinator role will evolve with the development of the project, and the position requires flexibility, innovation and problem solving ability.

Key areas of focus for role:

- Program planning and delivery
- Participant engagement
- Program development and impact
- Record keeping and program administration

The position is offered on a part time basis for the duration of the project, currently at 7.6 hours per week, days and times to be negotiated. Some flexibility required.

People living with disability are encouraged to apply.
