

Connecting the Dots: Explore your way through STEM and Leadership
Friday 1st June 2018
Bonython Hall, The University of Adelaide

PRESENTATION & SPEAKER INFORMATION

KEYNOTE SPEAKER

Ella MacIntyre

Product Manager, Mighty Kingdom

Ella started her career in film production and eventually transitioning to mobile games development, but quickly found she preferred the fast-paced and agile nature of the Games Industry. Having worked across several creative sectors, Ella brings a wealth of knowledge and diversity of skills to Mighty Kingdom. In her role as Product Manager, she leads development of original games, guides product strategy and business development and has released 5 games that have been played by over 20 million people.

Passionate about the games industry in Australia, Ella dedicates her time to fostering strong relationships within the development community and works tirelessly as a mentor and advocate for anyone who wants to explore a career in the technology sector.

Ella will be presenting a Keynote Address at the SHE Leads Conference where she will address her slightly indirect path to a career in STEM and that of a leader in her role of Product Manager at Mighty Kingdom. Ella changed her focus on leadership and when she started to think of herself as someone who could lead. Ella will share her experience in mentoring and hand out a few key messages that she has found invaluable during her career to get her in the right mindset to be a leader.
